No. M/017/017, Garfield County, Utah

Contingent upon approval of permit transfer and form of surety, Plateau resources plans to sell the above cited properties to Nuclear Fuel Services, Inc. (NFS). Eventual development of the properties is contingent upon a change in the economics of the uranium industry. The following background information is provided:

- 1) An updated 1979 Executive Summary
- 2) Location maps
- 3) Reclamation surety cost estimates
- 4) Reclamation contract
- 5) Notice of permit transfer
- 6) Summary checklist

Approval of change in form of surety will replace Board contracts with cash bonds.
